

TESTIMONIES

Praise the Lord

My name is Kivangliule Kuame and I am from Assam Halflong. Thank you for giving me an opportunity to share about my Testimony .

First of all I give thanks to our God Almighty.

I was born in a Christian Family and I have seven siblings, one brother and six sisters. I never obey my parents and did things of my own wish. And when I came here at IMTC, Bible Training Centre, after that, I learnt about the word of God and realized that I was disobedient. But now I am a born again Christian, so I left all the bad habits of my life. I'm so grateful to get this opportunity to learn about the word of God more and more.

And I thank God for giving me a wonderful life and a new life.

Thank you.

From Kivangliule Kuame

But when I came here at (IMTC) Intensive Missionary Training College, I came to know properly about Jesus and Salvation. I am so glad to get this opportunity to learn about Jesus more and more, I am so happy here and very blessed.

Praise the Lord

I thank God for giving me this privilege to share my testimony. My name is Namkaube Kuame, I am from Halflong Assam. Before I came here I was a bad person. I was disobedient to my mother and father I used to hide from them and I used to smoke and used to do all the bad things with my friends. When I came to this IMTC, I came to know many things and about the word of God. It has changed my life and now I am a very happy person. I thank my Principal and

our Sir Solomon for teaching us the word of God and for making me a good and right person. I will never forget about this IMTC and Garden Mission Church and our Principle and Sir Solomon for everything. For giving me and teaching me to be a good leader. May God be with you always.

So when I go to my village I will share the word of God.
Thank you.

My name is Alisha Chatterjee. I am from Sikkim.

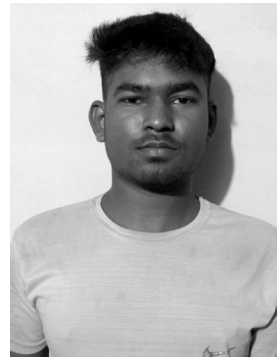

I am going to share my testimony. I took baptism on 2017 November 12th, after I took baptism my life was totally changed, I could know God more closely than before. I could know that I am the chosen one. God had done many great things in my life He has given me more than I expected. In 2012 when I was in Class 4. My father left my mom and settled in another place, we tried to contact our father but there was no information about him. It was very hard for us. But when our father left us, the blessings came to our family. Before we were not so good in prayer or going to Church. But after this situation came we started growing more closely to God, for some months, we faced lots of problem. Even though I was young, being a girl, I could understand what was going on in my family. But we could overcome every problem through prayer and the help of God. So last but not the least, I want to encourage everyone to have faith in God and put your trust and burden on Him, and He will Help you and bless you. These words I am not saying simply but this is my personal experience.
May God bless you all.

Praise the Lord.

My name is Ansh Samant, I am from Jharkhand, I have two brothers and two sisters.

I belong to Hindu family. We were very happy with our life, but one day my father passed away. After that we faced lots of problems in my family, not knowing what to do and what not to do.

But fortunately one day, one aunty came to our house and she preached in our home and that very moment, my mom started believing and started going to the Church. My mom started

experiencing the blessings of God and she was happy with the new life.

After all things happened we accepted Jesus Christ as our personal Saviour. And today I am so happy that I could able to come this IMTC, for my training, and I do believe in God that He will bless me and use me for the extension of His Kingdom. I am very glad to learn the word of God. And my aim is to become a Pastor.

Thank you

Ansh Samant B.Th 1st year, IMTC, Sovima

My name is Rahul I am from Jharkhand. I have 2 brothers, two sisters, father and mother. In our first stage of life we were worshipper of Idols and we did not know Jesus. We came to know Jesus Christ through my grandmother. One day my grandmother came to our house from village. So when she reached, she got so tired and was taking rest and after few hours she was talking to my mother. After that she went for bathing, she took so long for bathing, so my mother went and check her in the bathroom. The lock

of the bathroom was opened, so when she open the door of the bathroom, she saw my grandmother was unconscious. And that very moment my mother shouted and called us, and we all took her out of the bathroom and put her on the bed to rest.

She was paralyzed and we massaged her with oil, after that we took our grandmother to the hospital which is nearby our colony. The doctor said we cannot operate her, so they transfer my grandmother to the Tata Motors Hospital at Jamshedpur. My mother was so worried about her. My Mom's sister told my mother not to worry and that Jesus would heal her. So my mother's sister brought a Pastor to the Hospital and prayed for my Grandmother. After somedays, my grandmother was in coma, so we were all worried about that but we continued to pray for her.

After three days my grandmother came out of coma. Some days later she was completely healed and was discharged from the Hospital. So that very moment we believed that Jesus can heal the sick. Because of this incident in our family, we came to know Jesus Christ as our Personal Saviour. This is like God's plan in our life. After that we accepted Jesus as our Lord, and our life is full of joy and we go to Church daily and praising the Lord.

And we all took water Baptism after 3years of believing, all our sadness turned into happiness, and I love to Praise the Lord. And I want to become a worship leader.

My name is Nahlu. I am from Myanmar. My grandfather and grandmother are idol worshippers and they don't know God. My father also worshipped idols. But my father came to know God.

My family came to Christ in 1980-1981. Now my family is a Christian family and believe in God.

In the year 2013 I became sick without any reason, and don't know what to do, but Jesus is a mercy God to me and I went to Hospital, and the Doctor said my sickness is not good and they did check-up and gave me medicine, and told me not to work. I thought I was about to die. One day I prayed to God, Dear Lord please have mercy on me and heal my sickness. I cried aloud and prayed to God and He healed me.

Today I strongly say that Jesus is my Healer and in His name all things are possible, thought I am not good, Jesus is always good in all the days of my Life. Everyday what I do I don't understand, but Jesus always help me in all my ways, I believe I can do all things in Jesus name.

Thank you

My name is Ru Lai, I am from Burma, (Wakalanyo) I have 2 brothers and 3 sisters. I was born and brought up in a Christian Family. In my childhood I used to feel sick suddenly till Class 5 I was suffering from sickness and even the doctor could not understand my sickness, and even the prayer warrior prayed for me. After that slowly my sickness recovered.

After that I completed my 9th standard, and I joined Class 10 but because of Covid-19 and lockdown I

stopped going to school. I struggled a lot while I was studying in secular. My family faced lot of Problem, physically, financially and materially, therefore I decided to serve the Lord. So I decided to join the Bible College. And it was by the grace of God that I could come to this college (IMTC).

In the beginning I could not understand Nagamese and English, but slowly I could under Nagamese and English. I really thank God for this wonderful place that I could able to equip myself in the word of God.

My prayer is to let God use me in a mighty way. I want to serve the Lord, to the people who don't know God especially in my Place Burma.

Do remember me in your Prayers.

Thank You

My name is Ningpao, I am From Burma. Before knowing Jesus Christ, my parents were forced to become Christian by Naga Army, and they accepted Jesus Christ by force without knowing who Jesus was. After sometime, Khamniungan Naga tribe came and they preached the gospel in our village, and my parents they could understand Jesus Christ and accepted Jesus Christ as their Saviour.

After that my father passed away in the year 2006, and after one year of my father's death, his father chased away my mother from Home. Because of this, no one was there to take care of us, and we all went different ways, my brother and sister went to other place for domestic work.

In the year 2016, I met my mother, and in the year 2018 my mother passed away.

All this happened in my life and because of this problem in my family without parents, I could not go to school. I really wanted to study but no one was there to help me, even my brother and sister were like me. Some years later, in the year 2009 I became sick and that sickness was very serious and even the doctor cannot give me the right treatment. My lungs were damaged and blood was coming out of my mouth. Even with medication, I was not reverovering.

I became so worried, and I even took a decision to kill myself. But the thought always disturbed me, if I die where I would I go?

In spite of all this things, no was there to help me. I prayed to God, Lord if there is anyone in this world to help me, even if I die or live, I want to know and taste it. If anyone in this world to save me, save me I cried out in a loud voice. After that I felt a little relief, and even my sickness was recovering slowly.

One day a missionary came and said to me that only God can save me. After a year, my elder mom took me to Mo-a, a place where people dig precious stone, and prayed for me, and from there a revelation says that GOD is calling me through this sickness.

From that moment I dedicated my life to God. Today I am here at IMTC, to learn the word of God and to serve Him.

Thank You

My name is Pawan Pintu, I am from Jharkhand.

I was born and brought up in a Hindu Family. We were not so happy in the old life. When I was 7 years old we came to know Christ. Only my mom, myself and my sister, we accepted Jesus as our Saviour, but not our father. So because of this, our family had issues because of our faith in Christ. There were lots of problem, and because of this, I could not go to school properly.

I lost both of my mom and dad; my mom died this Year 2021. Now I live with my uncle and aunty, they are taking care of me and helping me. So I came to this Bible college to learn the word of God and to go and serve the Lord.

It is because of God's grace that I'm here today. I am having difficulty to speak in English and Nagamese, but I do believe that God will help me and He provides all my needs.

And after my study I will go to my native place to serve the Lord.

Do remember me in your prayers, that God will provide my needs, because no one is there to help me, I don't have parents. My Pastor is looking after me but he also cannot do much.

I do pray and believe that God will open a way for me.

Thank You

Who will roll away the stone for us?

(Mark 16:3)

Mary Magdalene and her friends have mind to do good things upon Jesus. Thought it was not only on the first day but it was already the third day, the body might have smelling and already have buried in the rocky soil and put a large big stone against the tomb's door. Forgetting all the problems and impossibilities and prepared the spices to be anointed the dead body of Jesus Christ.

Now they were about to reach the tomb and remembered the big stone was laid upon the door of the tomb. So they said to one another, *"Who will roll away the stone from the door of the tomb for us"*. That was the whole problem for their great mission of good works upon the body of Jesus. As soon as they raised the question of the problem and look at the entrance door of the tomb. They could see that the big stone was already roll away. Not only that but they also could see a young man standing nearby the tomb and said, do not be afraid, for I know that you are seeking Jesus of Nazareth who was crucified. He is risen, He is not here. But *"Go quickly and tell that He is risen"* and He is going before you to Galilee, there you will see and meet Him. So the women group went very fast and told to His disciples that they saw Him after He had risen from the dead. That is all about the ladies who saw Jesus first and told the good news of the risen Jesus first before men.

It was the big stone which was their big problem for the first time for a few minutes. But as soon as they look at the tomb, it was already the big stone was rolled away. So also today your problem may be like a big stone, but look at the cross of Jesus, and pray , then your big problem will miraculously solved immediately.

Praise the Lord.

Obedience Is The Key To Success

Mr. Khrievizo Rio

Human try to do things on their own ways with the power of Money, Physical strength and the knowledge of their own. Trying to accomplish their goal without obedience to the words of God.

Today many Pastors, Missionaries, Preachers, Teachers, Jobs holders, Businessman, Farmers, Contractors, Leaders of different associations are doing things on their own ways with the power of Money, knowledge and physical strength but unable to become successful because of not obeying Jesus and His will.

In the Gospel of Luke 5:4-7, and when Jesus had finished speaking. He said to Simon Peter "put out into the deep and let down of your nets for a catch" and Simon answer, "master we toiled all night and got nothing! But at your word I will let down the net" and when they had done this, they enclosed a large number of fish and their nets were breaking. They singled to their partners in the other boat to come and help them. And they came and filled both the boats so that they began to sink. From this passage we see Jesus commanding Peter to put the fishing net in the water. Where Peter replies Jesus about their abilities how hard they try fishing the whole night. As the night is the best time to catch fish easily. Where they could not catch any fish.

Later by obedience Peter put the fishing net in the water where the net was fill with fishes and the net was almost broke down. So he calls up his partner in the next boat for help fill both the boat and was almost sinking.

From this I want to convey a message that there are moments in life where we do things on our own abilities, we try to overcome temptation, we try to be successful in life with our own abilities but we continually fail like Peter and his partners. But once we accept our failure and put our trust in Jesus by doing things according to His way, which will make us successful in life, like Peter where they could catch many fish by obedience. When we are been blessed or become successful by the help of Jesus, that should not be the end of our story but we should also ask help and share our blessing like Peter signed his partners to come over where both their boats were filled with fishes.

In this message I am not saying we should completely denied our abilities, but in all our abilities we should make ourselves obedience to Jesus so that He will continually blessed us where we can be a channel of blessing to others as well.

Thank you

'GOING' IN GOD'S MISSION 'THEREFORE GO.....' (MATTHEW 28:1)

Going is easy today. All we need is to have some money and time to go places. Travel has become easy, except to some remote areas.

Jesus said, "All power in heaven and on earth has been given to me. Therefore go..." What is the connection between his power and authority and his command to go. This going which Jesus commanded is not just travelling for leisure, sightseeing, adventure, photography, writing or research. It is not even short term mission trips to get a 'taste' of missions. It is going with a purpose under the command and authority of the King of Kings and Lord of Lords.

We shall briefly look at various aspects of this command to "go".

1. Where to go?

The prophets of old were restricted where they could go. Except Jonah all the prophets were confined to the boundaries of Israel or to the places where the Jews lived as in the exile. This was because Jehovah was considered to be the exclusive God of Israel and his message of salvation was to his people Israel.

Further, when Jesus sent out his disciples on training mission (Luke 10:1-4), he sent them to the villages and towns of Israel. Why? This was because Jesus came as a perfect Jew and as he himself said, "I have not come to abolish the law, but to fulfil them" (Matt.5:17).

As Calvin says, "the prophets under the law had limits assigned to them", but now after the death and resurrection of Jesus, "the wall of partition has been broken down (Eph. 2:14)". Jesus now sends his disciples with the words, "Go into all the world" (Mark 16:15). No longer was Jehovah confined to the portals of Israel and the message of salvation was available to all. Jesus sent his disciples to a world of people, people of all colours, ethnic origins, languages and cultures.

2. Why to go?

What was the purpose of Jesus sending his disciples?

a) It was to 'preach the good news' (Mark 16:15). What is the good news? The good news is what Jesus explained in Luke 24:46-47: "The Christ will suffer and rise from the dead on the third day and repentance and forgiveness of sins will be preached in his name to all the nations, beginning at Jerusalem". So the good news is the gospel of salvation.

b) It was to 'make disciples of all nations' (Matt.28:19). Jesus was very clear about the end result of going. The going is not just to be involved in evangelistic activities such as preaching, distribution of literature, showing films, having TV and radio programs, meeting social needs etc. but ultimately to make disciples of Christ.

3. Whom to go to?

a) Jesus commanded his disciples to go to all nations (ethnic) (Matt.28; 19). That means to all ethnic groups, tribes, people (communities) and languages as we see in Rev.7:9.

b) Jesus also gave a geographical dimension to this when he told his disciples to be witnesses in Jerusalem, Judea, and Samaria and to the utter most parts of the world (Acts 1:8). So we can see from this that Jesus wanted his disciples to go to all kinds of people in every location.

4. When to go?

When Jesus gave the command to 'go' to his disciples, he also asked them to 'wait' (Acts 1:4) till the coming of the Holy Spirit, the comforter, the counsellor and who will empower them with his power (Luke 24:49; Acts 1:8). The disciples obeyed and the Holy Spirit came on them and filled them on the day of Pentecost (Acts 2:4).

After the Holy Spirit filled them, the disciples immediately preached the good news of Christ and began to spread out of Jerusalem. The book of Acts is the story of the expanding missionary enterprise.

As the Holy Spirit has already come, we no longer have to wait, but ready to go any time. The only thing we need to be sure of is that it is God who is calling and sending us and we have the assurance of the fullness of the Holy Spirit in our lives.

5. How to go?

a) When Jesus sent his disciples on his training mission (Luke 10; 1) he sent them two by two so that they can work together help and care for each other and disciple and plant churches together. So partnership has been a key element in Christ's pattern for mission. We need to emulate this.

b) Further, we see from the Book of Acts, the churches taking responsibility of sending missionaries to the unreached people and geographical regions. For example Paul and Barnabas were sent out by the church in Antioch and they in turn were accountable to the church (Acts 13:1-3).

As we think of "going" or "sending" and be involved in missions, may the Lord help us to follow the pattern given by our Lord Jesus Christ, as recorded in Scripture, for a God honouring and successful ministry.

May GOD Bless you all.

MINISTRY REPORT TO TIRAP AND LONGDING DISTRICTS OF ARUNACHAL

Praise the Lord, To God be the Glory.

1. By the grace of God, I would like to share what God has done during 2017. That time they (Longding Town CRC) needed one engineer for the construction of their Church. So, that information was conveyed to me by Rev. Neivotso Neikha through Rev. Dr. N. Paphino.

Then Rev. Anak Tohham and Deacon Wangdaw Wangsu came to me and we went to see the place for construction. We also had fellowship with them. Now the church building is completed. Praise the Lord for that.

2. During 16th-17th January 2019 we could have music training (Torie sol-fa and staff notation) which was conducted at Kanubari CRC. 35 youths came from Tirap and Longding district. The teacher were Late Deacon Sakholie Zutso and Er. D. S Zhasa. We found that these two district needed hymnal book very badly.

3. From 23rd-26th October 2020, we two myself Er. D.S Zhasa and Mr. Visakuo Paphino S/o. Rev. Dr. N. Paphino could come by train to Longding and had fellowship with them.

4. During 3rd-7th December 2021, we had music training again at Longding and Kanubari CRC and also had fellowship with the church members.

5. We also could go to New Kothin and Tissa Christian Prayer Centre for prayers & fellowship. Evangelist Nalilowang and wife newly married provided us a very good refreshment. Praise God for all the good things they provided.

May God bless you all.
